

Reading the entire Bible through in one year is overwhelming to many Christians. The **365 Club** is a method that allows the reader to read a short passage from the New Testament each day.

**Helps in Daily Bible Reading:**

1. Set a time to read the Bible daily. It does not matter if you read the Bible early in the morning, late in the evening, or something during the day. The key is to have a set time you will read the Bible each day.
2. If you miss a day, don't panic or quit; catch up on a later day. The goal is to develop a consistent pattern of reading the Scriptures.
3. Use a Bible translation that you enjoy and can understand. Many people enjoy reading from the New Living Translation or the Christian Standard Bible. Those who desire a Bible translation close to the original languages, the New American Standard (Update) or the English Standard Bibles are excellent choices.
4. Read the Bible in printed form so that you can make notes and highlight key verses or central truths.
5. Keep a written journal as you daily read the Scriptures. See the questions below as a guide for journaling.
6. You can also download the App, Bible.is (multiple translations) or CSB (Christian Standard Bible), and daily listen to and read the passage of Scripture for the day.

**Questions to ask as you read each chapter:**

1. What is the central truth or verse in this chapter?
2. What is God saying to me from this truth or verse?
3. As a result of this truth, is that an action I need to take, a sin I need to repent of, or an attitude I need to change?
